First Quarter 2022

WE ARE FACING

CHANGES IN THE WORLD

A YEAR FULL OF CHALLENGES

As a youth movement, we seek to continue to exercise our right and duty in education, regardless of any challenges.

Our kenim around the world have gradually returned to face-to-face activities, our Tochniot in Israel have been carried out professionally with preventive measures and we have overcome barriers to generate an impact on the lives of the people who need it most with the project of "Manhigut LeLo Gvulot", and with our project of "Restart" we continue to impact the communities through the leadership of our madrichim and madrichot, while innovating and sharing new tools to keep them activating.

OUR MISSION AND VISION

Hanoar Hatzioni is a movement committed to shaping a person with Integrity; someone of the values, morals, ethics and attitudes on which our non-formal educational practice is based; a person who identifies and acts in favor of the Jewish people, their history, culture, traditions, and the state of Israel.

As an educational, Jewish, Zionist, Humanist, Liberal and Social youth movement, we aspire to the development of formative processes for our students, based on the ideological foundations that derive from the essential values of Judaism, the Zionist dream and the world's cultural heritage. We recognize the centrality of the state of Israel, as a home where every Jew has the right to be a protagonist, and establish a Jewish life as a norm. We encourage our chaverim to actively participate in the process of ensuring the continuity of our people, while enriching the Jewish, Democratic and Pluralist aspects of our state, as the foundation for the formation of an exemplary society.

DELEGATIONS

MANHIGUT LELO GVULOT

"Manhigut Lelo Gvulot" or Leadership Without Borders, is an initiative, carried out in conjunction with the department of Noar Vejaluz and Dor Hemshej of the World Zionist Organization, in which Olim and Olot of the Hanoar Hatzioni Family volunteered at Ukraine's border with Poland.

LEADERSHIP WITHOUT BORDERS

... IMPACTING LIVES

Our way of helping was at the "Nursery" where our volunteers, together with the NATAN foundation and Hashomer Hatzair, provided a moment of calm to the mothers, playing with the children, while they thought about their future plans or simply breathed for a moment in this stressful and uncertain process.

At the same time the madrichim tzevet of Hanoar Hatzioni Hungary helps the Jewish refugees of Ukraine who are in Hungary and waiting for authorization to make aliyah.

We believe that it is during times of crisis that we must contribute more and show that our values and our human warmth can bring some joy.
