RESUMING

# PROJECTS AND TRADITIONS

AFTER THE PANDEMIC

As a youth movement we seek to continue with our educational right and duty, regardless of the challenges that arise.

Our kenim from around the world have resumed face-to-face activities and training: Manhigut Seminars, "Restart" with Shnat Hachshara, Pre-Machonim, very soon the Machon Choref and the Machon Continental Tzfonim, as well as the MIC in Israel will be a reality. Through these trainings, we seek to transform leadership in communities through chaverim and chaverot who make us proud.

With emotion receive this summer our Tochniot in Israel, short and long programs that give us hope of continuing to transmit the love for Medinat Israel.

# OUR MISSION AND VISION

Hanoar Hatzioni is a movement committed to shaping a person with Integrity; someone of the values, morals, ethics and attitudes on which our non-formal educational practice is based; a person who identifies and acts in favor of the Jewish people, their history, culture, traditions, and the state of Israel.

As an educational, Jewish, Zionist, Humanist, Liberal and Social youth movement, we aspire to the development of formative processes for our students, based on the ideological foundations that derive from the essential values of Judaism, the Zionist dream and the world's cultural heritage. We recognize the centrality of the state of Israel, as a home where every Jew has the right to be a protagonist, and establish a Jewish life as a norm. We encourage our chaverim to actively participate in the process of ensuring the continuity of our people, while enriching the Jewish, Democratic and Pluralist aspects of our state, as the foundation for the formation of an exemplary society.
