EVERYONE'S A SMALL LIGHT

AND ALL OF US ARE

A FIRM LIGHT

"We came to drive away the darkness
in our hands is light and fire.
Everyone's a small light,
and all of us are a firm light."

באנו חושך לגרש,
בידינו אור ואש.
כל אחד הוא אור קטן,
וכולנו אור איתן."

For years, the Tnua has sought to "drive away the darkness" and has managed to bring light through educational activities with the aim of instilling values, through group and social cohesion.

This year is notable for the reactivation of our regional and international emblematic events. In these we reaffirm the success of connecting young people from different parts of the world.

Despite the obstacles, we managed TOGETHER to stand up, be strong and creative, and overcome all the obstacles that stood in our way.

Thanks to hard work and a constant connection with all the communities and kenim of the Hanoar Hatzioni Family, the Tnua resurfaces and returns to normal. It is true that this is a different path than the one we knew before, with new situations and challenges that we could not imagine, but we feel strong enough and prepared to successfully continue our educational duty. For us, next year will be marked by the emblem "together", we will continue with international seminars, more connection between different countries, programs in Israel and a wide variety of activities that will reflect the greatness of Hanoar Hatzioni.

I would like to wish you all success and that together we achieve all our goals and dreams.

Chag Urim Sameach!

OUR MISSION AND VISION

Hanoar Hatzioni is a movement committed to shaping a person with Integrity; someone of the values, morals, ethics and attitudes on which our non-formal educational practice is based; a person who identifies and acts in favor of the Jewish people, their history, culture, traditions, and the state of Israel.

As an educational, Jewish, Zionist, Humanist, Liberal and Social youth movement, we aspire to the development of formative processes for our students, based on the ideological foundations that derive from the essential values of Judaism, the Zionist dream and the world's cultural heritage. We recognize the centrality of the state of Israel, as a home where every Jew has the right to be a protagonist, and establish a Jewish life as a norm. We encourage our chaverim to actively participate in the process of ensuring the continuity of our people, while enriching the Jewish, Democratic and Pluralist aspects of our state, as the foundation for the formation of an exemplary society.

THE REACTIVATION OF THE --- EDUCATION DEPARTMENTS

After facing the challenges and trying to unite through virtual means. We finally managed to reactivate our central events in person.

The Machon Choref and Continental Machon Tzfonim were a success in Latin America and now we are preparing with the Pre-Machon Dromi in Argentina to guarantee the success of the next MCD 69.

We managed to bring chaverim and chaverot from Brazil, Belgium and Greece to Israel, within different tochniot that were significant to our

INVOLVEMENT WITH THE YOUTH MOVEMENT

The youth movement “irgun hashalom hadruzi” (the Druze peace organization) invited us again to share a day at their snif in Shfaram.

They showed us their city where Muslims, Christians and Druze live, as well as showed us the ancient Jewish temple of the city.

Through the walks we were able to learn about the Druze religion as well as we could also share the experience of being young Jews in Latin America and members of youth movements.

Together with our sister tnuva Canadian Young Judea we participated in the “CYJ TOUR” for a social leadership course.

In this course the chanijim and chanichot took action, reflected and discussed the importance of initiative and leadership.

In which they toured the country with fun and learning activities, with the aim of transmitting content related to Israel, connecting to our roots and falling in love with Medinat Israel.
